## Execution of fully termed GSA with Brickworks

---

Strike Energy Limited (ASX:STX) ("Strike") is pleased to advise that the Group has finalised and entered into a fully termed Gas Supply Option Agreement (**GSA**) for 12.5PJ of gas with Austral Bricks, a subsidiary of Brickworks Limited (ASX:BKW) ("Austral Bricks") on terms consistent with the binding term sheet announced to the ASX on 27 February 2014.

The key terms of the GSA are as detailed in the announcement made to the ASX on that date. Austral Bricks is a national gas consumer with operations in Adelaide. The 12.5PJ of gas will be supplied from the Group's Southern Cooper Basin Gas Project in South Australia.

The GSA complements those already executed and in place with Orora and Orica and the indicative Term Sheet agreed with Adelaide Brighton Cement Limited for the sale of gas from the planned Demonstration Facility in PEL 96, as announced to the ASX on 28 July, 2016.

Yours faithfully
